DO YOU COLLECT BR. NEW GUINEA, PAPUA, GERMAN NEW GUINEA, TERRITORY of NEW GUINEA.

Then this is the Stamp Album for you  
**Queensland used in Br. New Guinea, Papua or German New Guinea through to Territory of New Guinea a United Nations Trust Territory.**  
 Then this is the Album for you. Hingeless and on thick Archival paper and the mounts are DAVO. This is a modular type Album, in other words you can virtually buy the Basic Album then you buy the pages for your varieties as required. I have personally seen the Album and I call it brilliant. A lot of thought and work has gone into this Album so it is not cheap, however, the prices are very reasonable considering the quality.  
 The makers are PNR Philately. They have a website [www.pnrphilately.com.au](http://www.pnrphilately.com.au) so those interested can look up on the web and see for yourself. We can always arrange for an Album through ourselves and have already sold a few. Everyone who has purchased so far have all made a similar comments. "Magnificent in every way".

Remember this list will alter on a regular basis as new items or stock arrives and deleted are removed.  
 It will always pay to check on the web to ensure you have the most upto date listing.

**Our full DAVO listing of One Country Albums and other accessories is available on request. Or [www.bexleystamps.com.au](http://www.bexleystamps.com.au)**
